Sorry I didn't make that more clear. See the highlighted portion below. She only included that line on a separate request for OSWER.

The part about the call was on a vm.

Hi Suzanne,

For your Gold Mine related questions, Robert Daguillard is your contact. I have copied him above.

Robert, I copied Suzanne's general request below. Also, she had a question on the call last night that she did not have the chance to ask:

I've got some broader policy type questions regarding the Gold King, CO mine spill. Are you the one handling those kinds of questions? If so, I'll send them. If not, let me know who to contact.
